“For God's gifts and calling can never be withdrawn; God will never go back on God's promises.”

– Romans 11:29, (TLB)

Friends, did you know that God expects us to live faithful lives? God will always keep every promise made to us, and God desires us to keep the covenants we have made, even when we encounter great difficulty keeping them. In contrast, our society today is abounding with broken promises, so much so that broken promises have become the norm, and promises that are kept have become the exception rather than the rule. People used to seal business deals with a handshake, but today the simplest agreement is filled with fine print listing both what each party promises to do as well as the recourse each party has if the contract is broken. What a sad commentary of our ability as humans to live faithful lives, our ability to do what God expects!

However, in the verse above, the Apostle Paul reminds us that, “the gifts and the call of God are irrevocable” (NIV). That means, that even though we sometimes fail to live our lives faithfully to God’s call, the Almighty will never take back the gifts that have been given to us, and God will never reject us or withhold love from us. In spite of our weakness and sin, we are promised that God’s love for us will never end. To those whom God has called, God is faithful; God will never leave us or forsake us. As Jesus loved his disciples “*to the very end*” (John 13:1), God has promised to love us to the end as well.

What kind of lives, then, should we be living? God isn’t looking for polite or guarded or “correct” responses of love from us. Rather, the LORD is looking for hearts abandoned to God in love, hearts overwhelmed by the promise of faithfulness to each of us. Only when we see how dearly we have been loved will we be able to live faithfully. Let us look again at the gifts and the call of God in our lives. Let us recount God’s miracles of healing, protection, and provision. Then, let us renew our promises to live faithful lives of love and service to our God. We have received so much from God in the call and the gifts with which we have been bestowed. So, let us return to God, then, the only gift God really desires—our humble, contrite hearts yielded to our LORD in faithfulness!

In the Name of Christ,

Buddy

Volume 22 Issue 2
May 2024

"...so that with one heart and one mind you may glorify the God and Father of our Lord Jesus Christ..." *Romans 15:5-7*

April 29 to May 3 were busy but joyful days of medical-evangelism with a **big family** of Dominicano, Haitian & U.S. servants. I'm thankful for how we have seen **God at work in the DR since 2013** and am very hopeful that He'll continue to redeem His own there. We were privileged to care for **678 patients**, working alongside pastors and colleagues in *The Luke Society* led by **Samuel & Dr Silvia Martinez**. However, as Chuck Colson penned, "God doesn't want our **success—He wants us**. He doesn't demand our **achievements—He demands our obedience**."

A decade ago we held clinics in the tiny church of **pastor Carlos Heredia**. He asked this year if we could use his **larger-but-under-construction** one in mercy and gospel outreach to his community.

During a **site-visit** on Tuesday, Silvia & I viewed **saws, shovels, cement bags, re-bar, welding supplies, rock-piles & more** everywhere! Then we remembered **"BUT GOD!"** and knew **it could work** with space for Registration & Waiting, our 6 MDs, Triage, Lab & Pharmacy. Carlos assured us **his flock was eager to serve & would have it ready** next morning. They did!

RN Hannah Lucas

Carlos & Socorro opened their home for 3 remaining stations (PT, Readers & Ultrasound) then invited us and patients to use their bathroom.

As always, my **"R hand"** Sally Mercer managed clinic flow with her warm smile!

Patients in many other countries don't have easy or affordable access to **physical therapy** or diagnostic **ultrasound**. Repeat-servants **Steve Wolters & Kim Mistishhen** shared their clinical experience, spiritual maturity and

hearts of mercy to bless patients & teammates alike. **Lynn Limop** was PT Steve's interpreter, and **Diana Mercado** assisted sonographer Kim. Kim's non-medical husband **Steve** returned as **"oculista"** to help fit patients 40 years old and up with readers.

What a gift to be **"midwife"** at the birth of a new believer. **Susan Service** had welcomed **Roberto Ramón** to Triage, took his vital signs and learned he had **diabetes & hypertension**. She also discussed his **spiritual health** which led Roberto to ask questions about the gospel. When it was his turn for a doctor, Susan took him to **Dominicana MD Urania Suarez**. Urania shared more about the One Who could become Roberto's Savior and watched as **Holy Spirit revealed** the Way, Truth & Life to **open his heart and seal his salvation**. **"Praise God from Whom all blessings flow!"** (We sing this at close of each clinic day... we want to be like the one leper out of 10 who returned to thank Jesus for his healing.) Both Dr Urania and Samuel will follow Roberto medically & spiritually, connecting him to the local church for discipleship and fellowship.

We often chuckle with our patients as **Dr Won Kim** did with this family. When he said to the *niña* in blue, **"Abra la boca"**, they all opened **"Ahh!"** Won says, "it never fails." Praise God, these healthy kids simply needed **loving (& fun) exams** and for their **mother**, an encouraging **"Good job!"** along with an **invitation** to Carlos's church.

"Let the children come to me," Jesus said. (Mt. 19:14) Fluent in Spanish, **pediatrician Craig Lem** is great at welcoming them into his 'office' & sharing Jesus.

Craig met **Fenius** 2 years ago after acid had been **thrown in his face!** *Luke Society* staff have been caring for him along with local resources for the blind. By

By **God's grace**, Fenius now sees vague shapes of dark & light and is **awaiting corneal transplants** via connections God has given our DR colleagues. A beautiful 4-way communication took place with **MTW missionary Natacha Etienne** listening to his **Creole**, then speaking in **English** with bilingual **Pamela Martinez** who helped Optometrista **Yesenia Senci6n** in **Spanish**.

What joy to watch God orchestrate **cross-cultural collaboration!**

Nicole, 16, had been seeing our visiting PTs annually **since 2015**. She now uses local therapy resources, but her parents bring Nicole in just to say 'Hola!' *Luke Society* volunteers last year completed their new home with mobility-impairment helps. **We follow a generous King!**

Drs 'Samuelito' Martinez & Estefani Ricardo are young, mature **Christian healthcare leaders** in their final year of two required in public service after medical school. What a blessing to again see God use them for

His Kingdom. **Dr Arianny Ricardo**, Estefani's sister, has just finished school and will begin her own internship years. Their brother **Pedro Ricardo** (above in navy) is currently studying medicine along with **Krismerlin Aria** and **Sheila Carrasco**. The latter 3 added extra energy to our multi-cultural team as they served under **senior providers** (a.k.a. "clinical Timothy's") like **Dr Wiley Smith**.

So many stories, praises and prayer requests from which to choose and not enough space! I've no photo, but please meet 6-month-old **Wilmen** with dextrocardia & **VSD**, **2 congenital heart defects**. His mom brought records from another MD but no hope for treatment. **Dominicana nurse Nena Aquino** escorted them the next day to a *Luke Society* **cardiologist** to explore care options. Wilmen's treatment may be covered by davidortizchildrensfund.org established by baseball athlete **David Ortiz**. Please intercede for Wilmen, asking God to provide a way of healing and the financial means to it. We don't know if his mother trusts in Jesus personally, so would you **ask Holy Spirit** to use this grave health problem to draw her unto Himself? "BUT GOD!" ...we know with Him that all things are possible, physically and spiritually!

Praise God for... His kindness as expressed by your prayers, encouragements & financial partnerships, either on 'the home team' or as traveling servants ...His providence in travel safety, Customs ease, luggage arrivals, bicultural team unity, gifts of worshipping & laughing together ...*The Luke Society* medical ministries thriving ...**Dominicana iglesias** growing & functioning as the family of God ...our **Visiting Angels Gwen & Cynthia** who help us Monday to Friday mornings.

Please pray for... possibly joining a mission July 12-19 to Trujillo, Peru ...recruitment & spiritual planning for my assigned **October 12-19** medical team to Saltillo, Mexico ...**Holy Spirit in both cities to even now prepare patients' hearts** to receive the Living Word through our care & then follow-up by the churches ...**Ash's improvement** in energy, walking & balance.

RN Lizzie Hinojos

Bless you for partnering in God's Kingdom work through medical-evangelism!

All children ages 4 - 12 years are encouraged to attend. (a child must be 4 years-old by July 1st to participate)
Space is limited, so register early!

What Will Happen?

Each day the day campers are with their same small group and counselors. Playing games, making arts & crafts, singing, having fun, and making friends happen all on the way to learning how, "We believe Jesus is the Messiah, the special one sent by God!"

The Bible verse for the week will be Matthew 16:16 - "You are the Messiah, the Son of the living God."

But that's not all . . . there are also Special Events for day campers including special guests and a "Wet & Wild Day. For families, there's an evening Open House with an Ice Cream Social.

What about Lunch & Snacks?

To assure that individual dietary needs are met, everyone needs to bring their own lunch, and a beverage, each day. Don't worry, if your child forgets their lunch one day, additional limited food is available.

We also ask that your child brings their own water bottle to use during the week. The water bottles can be stored for the week for your child's own private use or carried back and forth each day.

There will also be a light snack and drink (or water) each day, provided by the Day Camp staff.

Special Events

⚙️ **Special Daily Activities**
Each afternoon we will have special activities led by people in our community. These special guests will share with our campers how "Jesus is the Messiah, and He loves each of us!"

⚙️ **Wet & Wild Day (Friday, weather permitting)**
One day we'll all have a "blast" with water - games, competitions, water slides and more. Since we need to watch the weather, we'll tell you which day will be "Wet & Wild Day" on the first day of camp. Children should bring their towel, swimsuit, and water shoes/sandals on that day!

⚙️ **Ice Cream Social, 7 PM, Thursday, Aug. 1st**
Day campers, and especially parents and friends are invited to come and experience what their child has done and learned during the week. In addition, meet the Day Camp volunteers & staff, pick-up the crafts made and enjoy a summer evening ice cream social, for FREE!

There is NO Day Camp Fee!

We are once again providing our summer day camp without a fee and are just asking for monetary donations to help cover our costs. The camp fee was dropped because we didn't want the cost to keep anyone away who really wants to come; however, the number of campers is limited so you should get your registration forms returned as soon as possible. Donations can be made by either cash or check. Checks should be made payable to "NWPC" or "North Warren Presbyterian Church."

Have Questions?

If you have any questions about the Day Camp, please call the church office at 814-723-5060 and leave a message.

World Vision Sponsored Child

Shawanatu Mudasiru is our sponsored child through World Vision.

Although North Warren Presbyterian Church sends money every year to World Vision for the 30-hour famine, we also sponsor a child through World Vision. With this partnership, we send money and news to our child and she sends updates. Anne Ward is the main correspondent, but would like others to share with Shawanatu! Information about her as well as photos is on the Youth Board in the hall.

Our sponsored child, Shawanatu Mudasiru, is 15 years old and lives in the Accra-North area of Ghana. She most recently writes that she enjoys helping her friends in home activities. Her closest friend is Nashiba. Vision sends cards and activities for us to sign

and send back to sponsored children for holidays. Through World Vision Ghana, sponsors are helping 17,000 boys and 18,700 girls to improve their reading.

World Vision, through this program, goes into whole communities and provides not only schooling, but help with water, crops, and health education. Thank you for supporting this endeavor. I would ask that you pray often for Shawanatu and her family and community. You can also access more information about her community and the projects World Vision are doing in her community. Contact Anne for the contact information.

Nursery Workers

Session made a decision to provide nursery workers during the summer. If you are willing to volunteer during June, July, or August, please see Buddy or Celia Gross.

Thank you for helping us provide this service to our families.

A TRIBUTE TO MY DAD

*Who is that man with the gentle face, Who in his youth kept a hectic pace,
To provide for his family all that he could, Who is that man so giving and good?*

*Who is that man with the ready smile, Who always took time to sit for a while?
He was there when his family needed him there, Who is that man with the gray in his hair?*

*Who is that man who encouraged us all, And helped us up when we took a fall,
Spending a lifetime extending his hand, Who is that kind, compassionate man?*

*Who is that man who we all adore, The man who these words of devotion are for?
I'll tell you with all of the love that I can, "My dad" is that truly exceptional man!*
